Which Activities Landed?

Which single FIRST produced the most genuine, energized discussion this cohort? Why do you think that was?

Which single FIRST fell flattest or felt rushed? What would you change about it?

Did FIRST S14 (Business Case Created) get the time it needed, or did it feel rushed to protect the schedule?

Participant Experience Gaps

Did participants with less workplace experience seem genuinely able to engage with this stage's exercises, or did they feel behind? What helped, if anything?

Did anyone struggle notably with the Executive Perspective Exercise (S21)? How did that play out?

Content & Materials

Did you encounter any content errors or inconsistencies in the Manual, Templates, or facilitator materials?

Was the pre-work handout genuinely followed by most participants, especially having a real organization or problem to reference?

Format (In-Person / Online / Hybrid)

Which format did you run this cohort in?

Did the Adaptation Notes cover what you actually needed, especially for the Devil's Advocate Round and Panel Comparison activities?

Open Feedback

What's one specific change you'd make to Stage Fifteen's structure, content, or materials before the next cohort?

Anything else worth flagging?
