Which Activities Landed?

Which single FIRST produced the most genuine, energized discussion this cohort? Why do you think that was?

Which single FIRST fell flattest or felt rushed? What would you change about it?

Did any of the group-adapted exercises (Group Versions of Key Exercises document) feel forced or push participants toward more disclosure than appropriate for a workshop setting?

Sensitive Moments

Did any participant have a genuinely difficult reaction to a conflict-related exercise (N4, N18) or the trust-building exercise (N9)? How was it handled, and would you handle it differently next time?

Did anyone express real anxiety about not having an existing mentor or professional network (N21-N26)? Did the FAQ's suggested starting points help?

Content & Materials

Did you encounter any content errors or inconsistencies in the Manual, Templates, or facilitator materials?

Was the pre-work handout genuinely followed by most participants, especially bringing a real friendship or project to reference?

Format (In-Person / Online / Hybrid)

Which format did you run this cohort in?

Did the Adaptation Notes cover what you actually needed, especially for the trust-building and vulnerability-adjacent activities?

Open Feedback

What's one specific change you'd make to Stage Ten's structure, content, or materials before the next cohort?

Anything else worth flagging?
